FANBOOK FROM " TOARU KAGAKU NO RAILGUN "

PREFACE

■ Hello, my name is Eretto.
So far I've drawn many (mangas) from the "A Certain..." series with the "No Through Road" circle. However, the time came when I could no longer suppress the feeling of need to write a story about the true heroine of the series - Mikoto. At last, I gave it a try! Yay!

■ Since I wanted to write a story about Mikoto, I had been arguing back and forth deciding whenever I want to write a story with Touma or not. Recently while I was watching/reading the "A Certain Scientific Railgun" series, I've become captivated by Mitsuko Kongou's and Misaki Shokuhou's charm!! The mistresses from the Tokiwadai (Middle School) are really cute, wouldn't you agree?

■ That's how this became a story about three mistresses from Tokiwadai (Middle School)! Frankly, I wasn't trying too hard to squeeze in jokes. Nevertheless, the manga with those three characters turned out to be very funny. So that's how it is, I'll be really happy if you read it ...!

Well then, the main part, GOGO!

YOU WOULD LIKE TO KNOW WHAT... MISAKA-SAMA LIKES?

Yes!

THAT'S RIGHT

A FEW DAYS AGO, SHE PICKED UP THE ITEM THAT I HAD LOST AND RETURNED IT TO ME. I'VE BEEN THINKING ABOUT GIVING HER SOMETHING IN RETURN AS A TOKEN OF MY GRATITUDE

Netsuke picked up by Mikoto.

WE—LL...

IN THE KONGOU FAMILY, WE ALWAYS HAVE TO REPAY THE FAVOR...

IN...

She doesn't have any ulterior motives, does she?

DID YOU FIGURE OUT SOME-THING!?

MM OH!

NOW THAT YOU MENTION IT, IF I REMEMBER CORRECTLY...

Oh!

EVEN THOUGH SHE WAS COMING THERE EVERY DAY, SHE SHOULDN'T COMPLETE HER COLLECTION NO MATTER WHAT,

BECAUSE OF THIS SHE WOULD OFTEN GET DEPRESSED AND FALL ONTO HER KNEES BEFORE THE CAFE AND THEN BECOME THE CENTER OF ATTENTION

WHAT? WHY WAS SHE ARRESTED BY THE ANTI-SKILL !!?

DON'T WORRY

THERE'S A CAMPAIGN WHERE YOU HAVE A CHANCE TO RECEIVE A LIMITED EDITION FIGURE. CURRENTLY, IT LOOKS LIKE THEY'RE RUNNING THIS CAMPAIGN AT THE FROZEN CAFE LOCATED IN FRONT OF THE STATION

I THINK THAT MISAKA-SAMA LIKES FROG FIGURES...

If I'm not mistaken

THANK YOU, MITSUKO-SAN

AFTER ALL, IT'S GOOD TO HAVE FRIENDS!!

HAAA

AAH

LET'S PUT THAT TOPIC ASIDE... MAYBE IF YOU WERE TO HELP MISAKA-SAN THEN SHE WOULD SAY...

HAA!

What am I....!

YOU'RE MISTAKEN IF YOU THINK THAT I'M EXPECTING ANYTHING IN RETURN FOR REPAYING THE FAVOR!

IF MY FRIEND IS TROUBLED, OF COURSE I WOULD DO ANYTHING TO HELP WITH-OUT ANY HESITATION!

Oh... ♡ My... ♡

"SHRIEK"

ドガ

Kongou-san, your nose bleed...

※ ... 'Gekota' is a general term used by it's fans.

Limited Edition Gekota campaign at the Frozen Cafe

The rare secret Gekota is extremely expensive, it's a pain to get it for every Gekoer

THANK YOU, KONGOU-SAN!

WE HAVE DOUBLE THE CHANCES IF THERE ARE TWO OF US. THAT'S GIVES ME HOPE... ♡

OH!

I'M GLAD TO BE HELP-FUL!

---ANYWAY

WHY IS ANTI-SKILL ALREADY ON STANDBY BEFORE THE CAFE!?

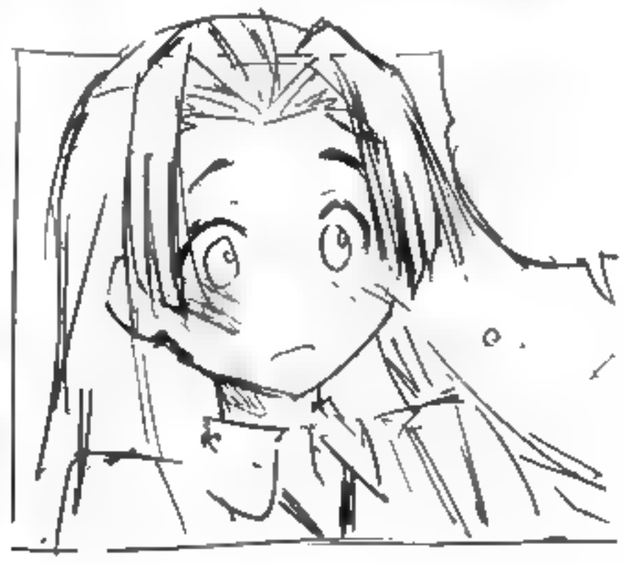
■ The illustration corner starts from here
→This is how the rough draft of the cover page of this book looked like. After reading the "Railgun" manga I started wanting to draw Kongou as well as Misakichi, not just Misaka alone!

It's difficult for me to draw characters mixed together... When looking at illustrations made by animators, etc. you can get a sense of dynamism of the scene. I would be really happy if I could draw like this.

↓ This is an illustration used on PET bottle holders which were distributed as a limited edition during an event. This holder is really useful, I wanted to make one like this for a long time. It's like one of my dreams came true!

Kongou-san was the closest to being the main character of the story, but when it came down to making illustrations for promotional goods Misakichi was better in every way

Kongou-san or Misakichi, who has bigger breasts? I would like to know!!



■ A single frame from manga that was unexpectedly rejected by the editor
Kongou-san, you are so cute, Kongou-san!

■ ←This is a rough sketch of illustration used on A4 zipper pouch distributed in a limited edition during an event.
When I saw Misakichi for the first time I thought _ that I just have to draw an illustration of her!
After all, she is so sexy, but still cute! (*´ • ω • ` *)

Usually I don't draw enough pictures with nice-looking bodies, so I've spent a lot of time thinking how to draw an illustration that looks sexy, but still cute. I did it, so I feel terrific!! (*´Д `*)
I hope to draw more pictures like this from now on!

■ →This is an illustration used for a similar messenger bags that were distributed during an event. We made something amazing ... a bag, a real bag!!! (• ω •)Ξ(• ω •)

To finish making this scene look like summer I increased the color saturation to make it look more vivid. It's cool to make scenes like this with girls of my design, it makes it easy to play around! (´∀`)
I decided to design girls having no waist and light (cocoa) brown color skin.

Recently, I become inclined to investigate design of every cloth with polka dots and stripes. I included all that I learned (into my works).

■ ←This is a similar illustration used in the front of messenger bags. Frilly skirts? Attached to one piece swimsuits are the best!! I wonder what makes them so great?!

Dax is our house dog and he was used as a reference model for this illustration. I thought that I would draw him someday. However, he wasn't able to maintain this posture for long (while drawing this picture)!
Hoka-chan, you look surprisingly good. _(:3」∠)_

[Eretto drew enormous ringlets.]

POSTSCRIPT

■ So there you have it. I provided you with a manga about mistresses of the Tokiwadai.
I have rewritten this manga a few times. At some point the situation became like "Hey! What does being 'squeezed between' part of the title have to do with this manga! " Nevertheless, I'm happy that I was able to write manga about the carefree trio. (` • ω • ´)

From the chronological order, Kongou-san became friends with Wannai-san and Awatsuki-san.... some time ago? I can't help feeling that Kongou-san has been so-so cute all the time since her first scene. ┗(:3 」 ┌)┛

■ Back at the beginning at the time I had just started working on this manga, I was over focused on relationships, personalities and special powers of the three characters. So, putting the manga together wasn't progressing at all and therefore I got impatient: Usually I only get a vague feeling about the concept of the story. However, this time I had to look at it from a different perspective. Special powers, plot, etc. exist parallel to each other in the story. It would be nice if one by one other concepts come to my mind!

■ Recent news! Idol master is REALLY AWESOME...! I wonder why I didn't get it as soon as it was released! Just like that I'm thinking about joining the Sunshine Creation event and drawing and then publishing something about the Idol Master there.
Now then, Thank You very much for buying this manga!
